

BGIS Supplier Diversity Engagement Event

With the goal of increasing Indigenous and diverse supplier engagement, BGIS is hosting a *“Doing Business with BGIS”* event and invite you to attend and learn about our company.

Please join us!

Date: Wednesday, October 22, 2025
Time: 1:00 – 2:00 PM EST

[Click here to Register](#)

Our Speakers

We will hear from some of our BGIS Procurement Professionals from the Government Sector as Project Delivery Services

We will focus on the following topics:

- BGIS company information and brief background
- BGIS procurement processes and what type of opportunities we have
- Where to find opportunities and how to register to become a BGIS supplier

BGIS is a global leader in integrated facility management services including Facility Management, Project Delivery Services, Critical Environments, Energy and Sustainability, Strategic Asset Management, Technical and Real Estate Services, Workplace Solutions and Sustainable Cleaning Solutions.

Indigenous Engagement and Supplier Diversity & Inclusion are important BGIS strategic initiatives that ensure we are inclusive in our strategic procurement practices. We recognize and value the innovations and importance that a diverse supplier group contributes to our business and are committed to providing opportunities to historically underutilized groups.

**Note: The event will be held in English, however, the material will be made available in French upon request.*
