

Accessing the Supplier Information Hub on bgis.com

To access the Supplier Information Hub containing training documents and video tutorials, visit <http://www.bgis.com> and click Suppliers (top right), followed by Supplier Login.

Login with your username and password. You may need to register first (if you haven't already done so) using your vendor ID#, which can be found on any Work Order or Purchase Order.

Once logged in, you'll have access to Supplier's News, Communications and software training materials. Click on the tabs to browse the content.
