- (g) **Umbrella/Excess Liability** coverage may be used to supplement the required insurance limits set out in this Section.

6.2 All policies providing coverage shall specify that it is primary coverage and not contributory with or in excess of any other insurance that may be maintained by Supplier and contain provisions that no cancellation, non-renewal or material changes in the policy shall become effective, except on thirty (30) days’ prior written notice to BGIS. All policies shall include an extended reporting period that extends coverage to include claims reported after the completion of the Deliverables. The extended reporting period shall remain in effect for no less than twenty-four (24) months after the completion of the Deliverables. Upon request, Supplier shall furnish to BGIS a certificate of insurance evidencing the coverage required hereunder. Any lack of request by BGIS to seek a certificate of insurance shall not relieve Supplier of the obligation to maintain insurance coverage consistent with this Section. BGIS shall have the right, acting reasonably, to require higher limits or other types of insurance coverage(s) as necessary and appropriate under the circumstances.

Supplier shall pay to BGIS, upon demand, all costs incurred by BGIS in connection with the remedying by BGIS of defaults by Supplier under any Order and all other amounts paid and obligations incurred by BGIS in connection with any default by Supplier under these Supplier T&Cs or any Order, and in collecting or attempting to collect the amounts payable by Supplier to BGIS or in enforcing or attempting to enforce any rights of BGIS under these Supplier T&Cs.

- 8.3 Supplier shall not subcontract all or any part of the provision of any Order to any third party unless it obtains the prior written consent of BGIS, which BGIS may withhold at its sole discretion.
