

COVID-19 - CALIFORNIA AB 685 - BGIS SUPPLIER UPDATE – NOVEMBER 18, 2020

Please ensure this message is shared across your organization's key stakeholders.

Dear Valued Suppliers,

The new California AB 685 legislation regarding notification of COVID-19 in the workplace will be effective January 1, 2021, and we at BGIS US Global Integrated Solutions US LLC want to ensure our supply chain will be compliant with this legislation to keep all employees safe.

In the event there has been a case at one of our customer sites where you provided on-site services, we plan to notify you behalf of our customers. Please provide a designated primary and secondary contact for these notifications to ensure the communications are received by the proper parties within your organization. We have established the following link [Vendor COVID-19 Contact Information](#) to provide and maintain your company contacts. If you are unable to click on the link please copy and paste this location into a web browser: <https://app.smartsheet.com/b/form/2f6b1ad6ffb14d27a0170a292835ed2f>.

In the event there has been a case with one of your employees who visited a BGIS customer site, legislation requires you to notify BGIS. Please update your records to notify our HSE Safety Team at USSafetyTeam@bgis.com.

A copy of the update regarding this legislation from the California Legislation Update can be found at this link <https://www.californiaemploymentlawreport.com/2020/10/ab-685-requires-employers-to-provide-notice-covid-19-notice-to-employees-and-local-health-departments/>.

Thank you for your attention with this matter.

Sincerely,
